By signing below the person who inspected the SCBA unit as well as the Chief or delegated Officer is confirming that this inspection was done and all information is correct. Only SCBA Units that pass this inspection should be used for live fire training. Instructors will have the right to inspect any unit on the day of live fire training if they feel the SCBA unit being used does not meet this inspection requirement.

All students should be familiar with the SCBA unit they are using for the Live Fire Training as well as having been Fit Tested to the size mask they are to use.
